¹ We will follow an *adapted* Wake County School System inclement weather policy. If the public school system is on a one-hour delay, we may also have a one hour delay. If the school system is on a two-hour delay, we may be closed for the day. We reserve the option to open if inclement weather is not due to arrive until after Preschool hours or if Wake County Schools close for reasons not impacting Preschool safety. If WCPSS is delayed or closed, we will notify you via email by 8:00 on a school morning about our hours that day.

Other situations (including, but not limited to, electrical power failure, lack of water, lack of heat) which may endanger the safety or health of the children may result in the Center being closed at the discretion of the Director.

See the Parent Handbook regarding make-up days or tuition adjustments in the event of extended closings.
